

Kaban: Dwarf in the Sleeping Goblin

Kaban is a dwarf vagabond that was picked up by Gorn, the old innkeeper, and employed in the kitchen. Kaban is a sullen and generally unhappy dwarf who seems to have a interest in cooking. His interest is matched by his complete and total lack of skill in it.

Kaban is not really liked by anyone in Phandalin. Despite this Kaban is now working in the Players Inn under the watchfull gaze of Arial. Here he might be learning the basics of how to cook, something which makes him mildly happier.
